Subject: Public comment "fiduciary"

What is needed is ENFORCEMENT of the laws and regulations already on the books. 12000 Ironworkers out here in CA & NV are STILL waiting on enforcement.. We are missing \$82 Million in just one year... supplied "wazooz" of evidence of breach of fiduciary duty & falsification of records...Wouldn't the DOL's time be better spent on addressing the current problems with enforcement... then "broaden" the definition..
